 <p>OMFused</p>	<p>Brings new meaning to the total mind and body experience. The OMFused format contains yoga and innovative Tai Chi movements combined with free dance and martial arts Katas, as well as Pilates core training.</p>
<p>Multilevel Yoga and Yoga Flow</p>	<p>This class is for beginners all the way to advanced. Yoga for everyone!</p>
<p>Gentle Yoga</p>	<p>This class is appropriate for anyone seeking the benefits of a very relaxing, gentle, and restorative practice. Deep restorative work improves range of motion, and joint mobility, reduces pain and the effects of stress.</p>
<p>Pre-Natal Yoga</p>	<p>Prepare your mind and body for labor and delivery with a more active and rhythmic version of yoga for overall fitness during pregnancy. This class focuses on stretching and strengthening muscles, relieving stress, as well as proper breathing and relaxation. *Physician's referral is required.</p>
<p>Mat Pilates</p>	<p>Build core strength and flexibility through subtle and precise movements</p>
<p>Better Back</p>	<p>30 min This preventative program emphasizes developing and maintaining a healthy back through the performance of progressive exercises. *Physician's referral may be required.</p>
<p>Stretch Because</p>	<p>30 min Stretch because... you need it! This class is designed to help increase your body's range of motion as well as to gain flexibility. Great for pre and post workouts.</p>
<p>Pep</p>	<p>Progressive Exercise Program for Seniors using bands, balls, light free weights, and more. This class is also great for individuals with limitations resulting from stroke, MS, and Parkinson's.</p>
<p>Tai Chi</p>	<p>Finding its roots in martial arts, this class guides you through a series of exercises that improves circulation, flexibility and balance. The slow, controlled movements also help to improve muscular strength while relaxing the mind. It is 45 minutes of nurturing calmness.</p>
<p>Barre Fusion</p>	<p>A fusion of yoga, ballet barre, and Pilates that works the entire body. Strengthen, lengthen, and stretch your body from top to bottom while working from the core. Light weight strength training and fluid movements will help sculpt and create a long and lean physique.</p>
