Master's Swim Program Agreement

I _____ ("Participant") agree to the following terms and conditions of using the NCH Master's Swim Program ("the Program"):

Participants of the Program must maintain current NCH Wellness Center membership. There is a \$30.00 monthly fee for participation in the Program. The Program fee is in addition to Wellness Center membership dues and may be paid monthly or annually. Monthly payment of fees shall be through Electronic Funds Transfer (EFT). The initial annual Program fee is due prior to participation in the Program and on the anniversary date of any subsequent annual renewals.

Participants canceling membership in the Program must provide written notice to the NCH Wellness Center. Refunds of fees will not be given for cancellations prior to the end of the paid term of participation except in the event of Participant's death or relocation greater than 10 miles from the NCH Wellness Center. Refunds under the aforementioned circumstances will be pro-rated.

One-on-one instruction may be scheduled with the swim coach. The fee is \$65.00 per session for swim instruction and \$100 per session for Swim Stroke Analysis. Fees must be paid at the front desk prior to the session and cannot be added to Participant's monthly or annual bill.

The Wellness Center has the right to change coaches for the Program.

Program classes will be structured around current group fitness offerings held in the pool. Refunds or credits to Participant's account will not be issued for classes that have been cancelled, rescheduled or removed from the Program.

NCH Wellness Center reserves the right to close the pool without notice for cleaning, maintenance, inspection or other unforeseen circumstances. No credits or refunds will be issued when the pool is closed for a period less than seven (7) consecutive days.

A copy of the NCH Pool Etiquette is attached to this Agreement. Proper pool etiquette is required at all times. Participant understands that lanes reserved for Program classes must be shared with other Program participants if necessary. Lane lines will be moved 10 minutes prior to the start of Group Fitness classes. It is Participant's responsibility to be aware of the Group Fitness class schedule and adjust Participant's schedule accordingly.
