

FINAL PUBLIC NOTICE

The Federal Emergency Management Agency (FEMA) has received the subgrant application for NCH Health System repair of Baker Hospital due to damages in Hurricane Irma (DR-4337-FL PW 05247). Pursuant to Executive Order 11988 and 44 CFR Part 9.12, final notice is hereby given of FEMA's intent to provide funding for this project under the Public Assistance (PA) Program.

An initial disaster-wide Public Notice was published October 06, 2017 for Hurricane Irma. Comments and other information received were fully evaluated by FEMA along with evaluation of social, economic, environmental, and safety considerations. This notice serves as a project-specific final notice for FEMA's funding action located within the floodplain.

Funding for the proposed project will be conditional upon compliance with all applicable federal, tribal, state and local laws, regulations, floodplain standards, permit requirements and conditions. This action complies with the National Flood Insurance Program (NFIP) requirements.

Responsible Entity: FEMA Public Assistance (PA) Program

Applicant: NCH Health System

Project Title(s): PA-04-FL-4337-PW-05247 - 28501 - Baker Hospital - Exhaust Hood, roof, VFD Drives

Location of Proposed Work: 3507th Street North Naples, FL 34102 (26.15071, -81.79916).

Floodplain: Project is located in the Zone AE; Collier County FIRM Panels #12021C0393H dated 5/16/2012.

Proposed Work and Purpose: The applicant repaired roof membrane and sheeting and replaced drains, vents, and insulation. Interior ceiling tiles were replaced. Exhaust fan and HVAC cooling tower were repaired. Concrete walkway in garden was repaired. Elevator eye sensor, fire alarm pull station, molecular imaging camera, and dumpster lids were repaired. Painting, caulking, resealing, and re-screening frames and joints was performed throughout the facility. Work returned facility to the pre-disaster condition.

Project Alternatives: The alternative that has been considered is the no action alternative. With the no action alternative, negative impacts on residents and the community may be experienced. Alternate locations were not considered as there would not be areas outside of the floodplain that would serve the community needs and relocation of the facility would not be practicable.

Comments: This will serve as the final public notice regarding the above-described action funded by the FEMA PA program. Interested persons may submit comments, questions, or request a map of this specific project by writing to the Federal Emergency Management Agency, Region 4, 3003 Chamblee-Tucker Road, Atlanta, Georgia 30341, or by emailing FEMA-R4EHP@fema.dhs.gov. Comments should be sent in writing with the subject line FL-4337-PW-05247, NCH Health System at the above address within 15 days of the date of this notice.
